Sunday School 2026–2027

September 2026

Dear Parents,

We welcome you and your child(ren) to our Sunday School 2026–2027! Classes resume Sunday, Sept. 13. Our curriculum seeks to foster children's faith formation through exploration of the Bible and to help them understand what it means to live a Christian life. Our curriculum is based on Bible stories from the Old and New Testament and includes becoming familiar with elements of the worship service including The Lord's Prayer, becoming familiar with using a Bible and the application of Christian faith to daily life.

We have a variety of activities planned to engage your child and help them grow in faith. We hope that your child will attend regularly to get the most benefit from Sunday School.

Our Sunday School classes will meet in classrooms in Fellowship Hall. The children will attend the first part of the worship service with their family, then, after the exchange of peace they will come downstairs with the teachers for Sunday School class.

Children Pre-K through grade 1 will attend our *Children and Worship* class with Bible stories and hands-on activities.

In our *Faith Works* class for children in grades 2 through 8 we read Bible stories and related passages in the Bible and make connections to what it means to be followers of Jesus in today's world. Please have your child bring their Bible with them to Sunday School. We encourage you to read and talk about the Bible stories at home.

Please complete the attached registration form so that we have your current contact information and any special concerns we need to know about your child(ren).

We are looking forward to sharing the good news of God's love with your child(ren) as we celebrate our awesome God!
